

NEFARIOUS

The Mad Scientist Game

NEW STRATEGY GAME! Conquer The World, One Terrifying Invention At A Time!

You are a mad scientist attempting to destroy the world. To do so, you must build terrifying inventions which require research, hard work, and espionage. Unfortunately for you, other mad scientists are trying to steal your evil glory by destroying the world first. Overtake your rivals and become the most notorious mad scientist in history! **Nefarious: The Mad Scientist Game** is a strategy game designed by Donald X. Vaccarino.
